

# STEEL BUILDING PROGRAM

***≡Blevins≡***

“The entire process, from submitting our order to completion, exceeded all of our expectations. The crew was very professional. They were on time and completed both jobs, at two different locations, in the same day. We could not have asked for better service. We are very thankful and look forward to continuing our partnership with Blevins.”

**CODY DUNN - GENERAL MANAGER**

Oakwood Homes #735 - Oklahoma City, OK

The partnership between **BLEVINS** and **ABN** allows us to offer what others cannot:

- One of the largest installer networks in the industry.
- The most expansive product line in the industry with innovative engineering designs.
- Unmatched Customer Service and Support.
- Custom design plans that meet or exceed state and local codes.
- Shorter lead times.

# IMPORTANT

## PRODUCT INFORMATION

---

### DOORS:

- **Standard Doors** – A standard walk through door is **36" x 80"** and comes with a diamond window or solid.
- **Premium Doors** – All Premium doors come with a 9 lite cottage window.
- Manufacturer chooses the location of the walk through door unless otherwise indicated by customer.
- **Standard Roll Up Door** is **10' x 8'** unless otherwise indicated.

### WINDOWS:

- All windows are **24" x 36"**.
- Manufacturer chooses the placement of the window unless otherwise indicated by customer.

### NOTES:

- Not all products are available in all states.
- Pricing is subject to change due to final destination (installation address) and load/code requirements. Customer will be notified by order confirmation.
- Customer is responsible for site prep. Concrete, gravel or other site prep must be completed prior to building arriving.
- Actual product may vary from pictures shown.
