BLEVINS INVITES YOU TO **DISCOVER**

intertherm®

When you purchase an Intertherm product at Blevins, you'll find efficiency means more than just energy savings. The **RightFit** approach to matched HVAC equipment maximizes holistic operational efficiency across energy, space, cost, installation and service, and product compatibility. Providing the **RightMatch** and **RightFunction** for factory-built homes, all backed by the **RightFoundation**.

RightMatch

**The Right Solutions
for Integrated Systems**

- Seamless **product compatibility** reduces risk of system failure and costly repairs.
- Consistent performance and **extended warranty coverage** on matched system equipment.
- **Sleek, modern design** enhances the home's aesthetic.

RightFunction

**The Right Portfolio
of Versatile Equipment**

- **Tailored comfort** for unique living spaces.
- **Range of efficiencies** to cover all homeowners' needs.
- Full range of high-quality HVAC solutions including **oil, gas, and electric** options.

RightFoundation

**The Right Legacy
& Support**

- **100+ years** of expertise in factory-built housing HVAC.
- **Market-leading**, top-quality, and long-lasting systems.
- **Peace of mind** with multiple warranty options.

STANDARD ONE YEAR LIMITED PARTS WARRANTY:

Nortek Global HVAC extends a Standard Limited Warranty on the parts of manufactured housing equipment for a period of one year from the original purchase date by the original purchasing homeowner only. All coverage terminates to any other subsequent owner, with the exception of the states Florida and Texas. If any part fails due to defects in materials or workmanship under normal use within one year from the date of

original purchase, a replacement part will be provided free of charge except for the freight costs which are the owner's responsibility. Nortek Global HVAC will not pay for parts purchased in the field from other than a Nortek Global HVAC distributor. Replacement parts are warranted only for the balance of the original warranty period. Parts purchased for equipment outside of the warranty period have a 1 year limited parts warranty. Fixed amount 1 year limited labor coverage is paid directly to the distributor or servicing contractor. Any expenses charged by the servicing contractor above the amounts provided by Nortek Global HVAC are the homeowner's responsibility.

Split System Outdoor Units

Coverage includes the standard 1 year limited parts and 5 year limited compressor warranty. **If registered with an AHRI match system, within 60 days of installation, coverage is extended to 5 year limited parts and 10 year limited compressor.**

All Package Units

Coverage includes the standard 1 year limited parts and 5 year limited compressor warranty. If registered, within 60 days of installation, coverage is extended to 10 year limited parts including the compressor.

Furnace Warranty

Below 90% Gas and Oil, and Electric furnaces, and Air Handlers Coverage includes the standard one year limited parts warranty. If registered with an AHRI match system (3-piece match system, i.e. furnace+coil+outdoor (OR) airhandler+coil+outdoor) within 60-days of installation or occupancy, coverage is extended to 5 year limited parts.

90%+ Gas and Oil furnaces

Coverage includes the standard one year limited parts warranty. If registered within 60 days of installation or occupancy, coverage is extended to 5 year limited parts.

Additional Heat Exchanger Parts Coverage for Gas/Oil Furnaces and Gas Package Units

Below 90% AFUE furnaces and gas/electric packaged systems: 10 year limited heat exchanger warranty. 90+% AFUE furnaces: 20 year limited heat exchanger warranty.
