Limited Warranty Policy for Fiberglass Door Slab and Related Components

WARRANTY COVERAGE

Lifestyle warrants to all the original purchaser of Lifestyle entry door systems that, from the date of purchase through the durations specified below, the various parts of the system will be free of defects in materials and workmanship. If within the applicable LIMITED WARRANTY duration a door system or component is determined by Lifestyle to be defective in materials or workmanship, then in Lifestyle sole discretion, Lifestyle will REPLACE or REPAIR the entry door system or defective components OR will REFUND the original amount paid.

A: FIBERGLASS DOOR SLAB

WARRANT ITEM	WARRANT CONDITION	WARRANT TIME	REMARKS
Door slab structure (mainly core structure) no obvious deformation	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%	5 Years	If the temperature or humidity for storage or use does not match with the warrant condition, Lifestyle makes no warranty.
	no exposure to harmful chemicals		Lifestyle is not responsible for product damages when exposed to harmful chemicals or outdoor uncovered environment.
	properly installed, and no impact by foreign objects		Improperly installed or impact by foreign objects, Lifestyle makes no warranty.
No cracks on the glass unit installed with door slab	no impact by foreign objects	5 Years	Lifestyle will not be held liable for any damages to glass caused by foreign impact.
color change of unfinished door slab ΔE<5.0	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%, Annual average daily radiation exposure 6kMh/m ² /day	5 Years	If the environment conditions for storage or use does not match with the warrant condition, Lifestyle makes no warranty.

B: DOOR SLAB SURFACE

Lifestyle warrants that the door slabs can be painted or stained within the warrant period specified below; If door slabs are determined by Lifestyle to be defective, and cannot be painted, then in Lifestyle sole discretion, Lifestyle will REPLACE or REPAIR the products OR will REFUND the original amount paid.

WARRANT ITEM	WARRANT CONDITION	WARRANT TIME	REMARKS
Unfinished white door Slabs can be painted	The door slab surface should be clean	5 Years	The surface of door slab should be clean and free of dirt before painting
color change of painted door slab ΔE<5.0	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%, Annual average daily radiation exposure 6kMh/m ² /day	5 Years	If the environment conditions for storage or use does not match with the warrant condition, Lifestyle makes no warranty.

C: PVC FRAMES

Lifestyle PVC frames are guaranteed to be free of rot, and damages which are not caused by foreign impact or deliberately within the warranty period specified below.

WARRANT ITEM	WARRANT CONDITION	WARRANT TIME	REMARKS
No rot or obvious deformation	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%	10 Years	Lifestyle makes no warranty for rot or deformation caused by improper installation or foreign impact.
Color change of frame surface $\Delta E < 5.0$	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%, Annual average daily radiation exposure 6kMh/m ² /day	2 Years	If the environment conditions for storage or use does not match with the warrant condition, Lifestyle makes no warranty.

D: LOCK, HANDLE, ETC.

Lifestyle warrants that locks, handles, and hinges purchased from Lifestyle are free of rust and damages which are not caused by foreign impact or deliberately within the warranty period specified below.

WARRANT ITEM	WARRANT CONDITION	WARRANT TIME	REMARKS
Lock and handle perform well	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%	5 Years	Improperly installed or impact by foreign objects, Lifestyle makes no warranty.
No rust on the surface of lock, handle, or hinges	Temperature for storage or use: -18°C~+50°C; Humidity: ≤70%	1 Years	If install or use in annual high temperature, high humidity, or high salt environment, Lifestyle makes no warranty.

WHAT LIFESTYLE WILL DO:

1. Once we receive your notice for warranty claim, we will get in touch with your contact within 3 working days to know more details about the defect, and will analyze it. We will inform you about remedy solution within 7 working days from the first date of your notice.
2. If Lifestyle approves your claim, and elects to replace or return the defective product or parts, replacement products shall be a reasonably similar to current product, or with the closest specification you could accept.
3. In the event Lifestyle elects to provide a replacement, the Limited Warranty of the replacement will extend only for the balance of the original Warranty period, or 90 days, whichever is longer.
4. Lifestyle is not responsible for any damages caused by significant change in local temperature for storage or use comparing to the previous year.

Lifestyle is not responsible or makes no warranty to product damage, failure, or loss due to:

1. Normal wear and tear from product usage or age, including normal wear and tear of weather strip, normal weathering of door slab face, color or texture change in door slab or wood; width less than 1/32" or length less than 2" cracks on the edge of door slab.
2. Normal wear of door slab, frames, and other parts, or the change of door slab face, like corrosion or loss of luster.
3. Improper storage(outdoor uncovered environment), improper installation, use, modification or alternation.
4. Any other causes beyond the manufacturer's control, like earthquake, flood, typhoon, or war.
5. Storage/installation/use not conducted in strict adherence with instructions
6. Structural, functional, or other issues caused by improper on-site installation, improper door size, or others

Lifestyle will not make warranty either in the following cases:

1. Slight expansion or contraction caused by environmental changes (temperature and humidity changes), less than 1.5mm horizontal bending of any door slab with width below 840mm, and less than 2.5mm vertical bending of any door slab with length below 2000mm. It can not be guaranteed that a wider and longer door will not warp in an environment with changes in temperature and humidity. Refer to the "Quality Standards for Lifestyle Fiberglass Doors"
2. The functional defects caused by the cross use of door slabs and components not provided by Lifestyle, or door slab parts provided by Lifestyle with those of other manufacturers.

Important Note:

This Limited Warranty sets forth the maximum liability for our products. In no event, Shall Lifestyle be liable for any incidental, consequential or special damages resulting from the sale, installation or use of any Lifestyle products.

Limited Warranty Policy for Steel Door Slab and Related Components

WARRANTY COVERAGE

Lifestyle warrants to all the original purchaser of Lifestyle entry door systems that, from the date of purchase through the durations specified below, the various parts of the system will be free of defects in materials and workmanship. If within the applicable LIMITED WARRANTY duration a door system or component is determined by Lifestyle to be defective in materials or workmanship, then in Lifestyle sole discretion, Lifestyle will REPLACE or REPAIR the entry door system or defective components OR will REFUND the original amount paid.

WHAT LIFESTYLE WILL DO:

1. Once we receive your notice for warranty claim, we will get in touch with your contact within 3 working days to know more details about the defect, and will analyze it. We will inform you about remedy solution within 7 working days from the first date of your notice.
2. If Lifestyle approves your claim, and elects to replace or return the defective product or parts, replacement products shall be a reasonably similar to current product, or with the closest specification you could accept.
3. In the event Lifestyle elects to provide a replacement, the Limited Warranty of the replacement will extend only for the balance of the original Warranty period, or 90 days, whichever is longer.
4. Lifestyle is not responsible for any damages caused by significant change in local temperature for storage or use comparing to the previous year.

Lifestyle is not responsible or makes no warranty to product damage, failure, or loss due to:

1. Normal wear and tear from product usage or age, including normal wear and tear of weather strip, normal weathering of door slab face, color or texture change in door slab or wood; width less than 1/32" or length less than 2" cracks on the edge of door slab.
2. Normal wear of door slab, frames, and other parts, or the change of door slab face, like corrosion or loss of luster.
3. Improper storage(outdoor uncovered environment), improper installation, use, modification or alternation.
4. Any other causes beyond the manufacturer's control, like earthquake, flood, typhoon, or war.
5. Storage/installation/use not conducted in strict adherence with instructions
6. Structural, functional, or other issues caused by improper on-site installation, improper door size, or others

Lifestyle will not make warranty either in the following cases:

1. Slight expansion or contraction caused by environmental changes (temperature and humidity changes), less than 1.5mm horizontal bending of any door slab with width below 840mm, and less than 2.5mm vertical bending of any door slab with length below 2000mm. It can not be guaranteed that a wider and longer door will not warp in an environment with changes in temperature and humidity. Refer to the "Quality Standards for Lifestyle Fiberglass Doors"
2. The functional defects caused by the cross use of door slabs and components not provided by Lifestyle, or door slab parts provided by Lifestyle with those of other manufacturers.

Important Note:

This Limited Warranty sets forth the maximum liability for our products. In no event, Shall Lifestyle be liable for any incidental, consequential or special damages resulting from the sale, installation or use of any Lifestyle products.
