

SKIRTING FOR MANUFACTURED HOMES

www.BLEVINSINC.com

Welcome to Blevins New Skirting Look Book!

At Blevins, we understand the importance of finding the perfect skirting solution for a home. Whether in search of a standard, decorative, insulated, or specialty skirting, we have a wide range of options to suit any need. In this look book, we proudly present our comprehensive skirting line, categorized into Value, Choice, and Premium options, ensuring there's something for everyone.

Rest assured, our skirting options are crafted with the highest quality materials, tailored to excel in any application. We invite you to use this guide as a valuable resource to assist your customers in making informed decisions. Our dedicated branches are more than happy to assist with everything from pricing inquiries to providing samples.

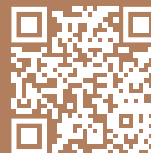

Thank you for choosing Blevins as your skirting partner.

* Check with your branch for availability. Please note that skirting colors depicted in this book may vary slightly from the actual product.

Don't know how much skirting to order? Check out our **step-by-step guide** on how to measure a home for skirting to ensure you purchase the correct amount!

SPECIALTY PERFORMANCE

This fiber cement skirting comes in raw material with no paint. There are 2 textures, Cedar and Stucco.

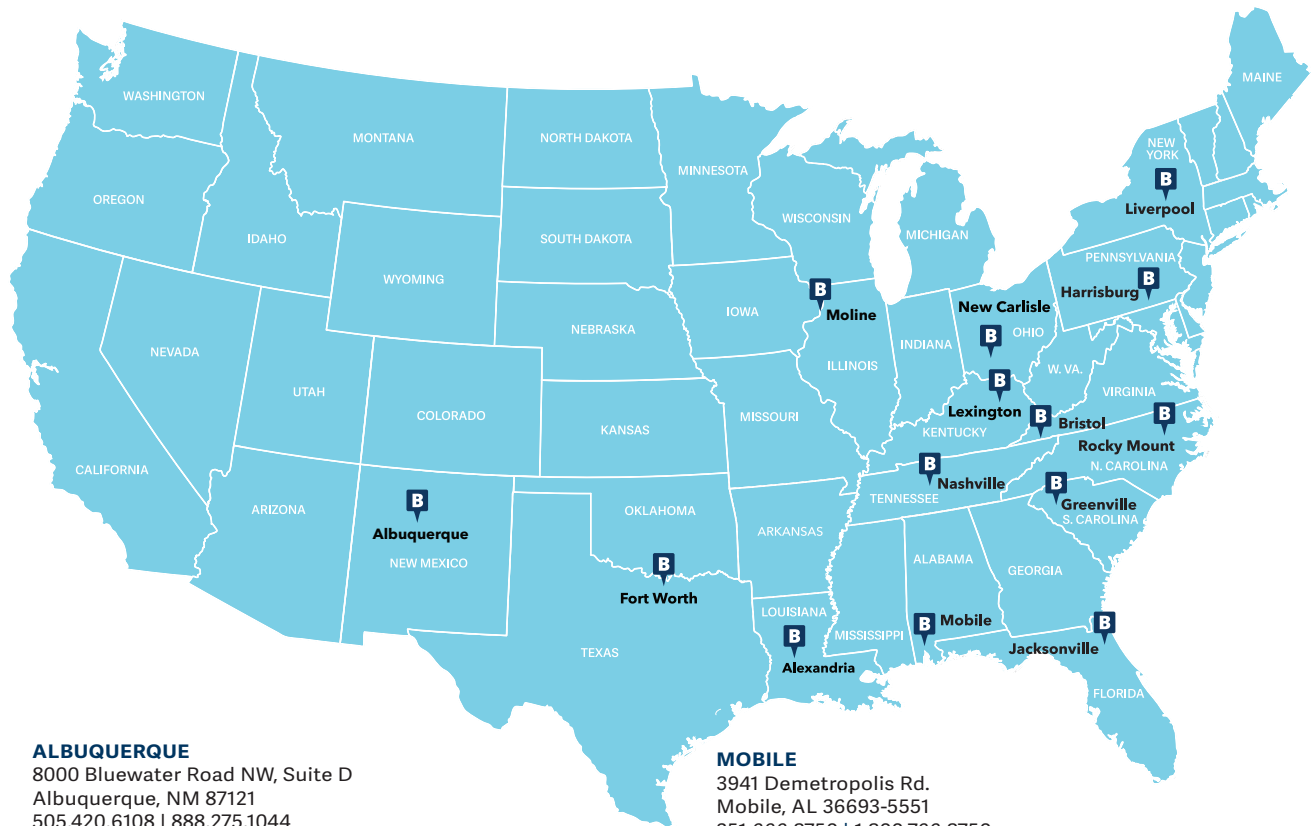

TEXTURE	PANEL
CEDAR	0200408
STUCCO	0200407

SPI, lightweight product made with recycled material. These come unpainted and are paintable. The Base Wall skirting product is the only non-concrete/non-steel structural skirting panel on the market. Designed for backfill applications that achieves a true low profile on grade appearance to your home.

SIZE	PANEL
